In the two years following the completion of my General Nursing and Midwifery diploma, I dedicated myself to enhancing my knowledge and skills in healthcare to pursue a degree in Registered Nursing. During this period, I gained valuable practical experience as a freelancer with home healthcare agencies, providing services in patients' residences, accompanying them to medical appointments, and assisting with hospital visits. My responsibilities included collecting routine samples and managing basic prescribed medications. This experience not only deepened my understanding of patient care but also honed my clinical skills and reinforced my passion for the nursing profession. With this foundation, I have applied for a bachelor's program in Registered Nursing for the upcoming intake.
