→ Music has been a steadfast companion throughout my academic journey. Following the completion of my secondary education, I embraced my passion by enrolling in music classes from home and participating in local auditions. This experience inspired me to elevate my passion beyond a hobby, leading to the aspiration of establishing a music school in my home country, incorporating various genres to effectively launch this venture. I recognize the need to acquire Management skills from a global recognized institution in the USA. After carefully selecting universities, I applied for the Spring 2024 intake; however, my visa application was unfortunately denied. I have now determined to pursue my goal.
