Annual Gap

Page No.

an annual income of approx 24 to 25 Laks.

Gap justification ?

Swimming was always my passion during my school days. I used to practice and even participated in meets and competition. But, with the time what I observed that been in a water for longer time caused irritation and redness which led to an infection due to the presence of chemicals in water. Been infected to this I had to quit my passion, which further made me think that there will be numerous of cases like me. From there it came up in my mind to launch a advanced gears which would prevent no. of swimmers to fall for this cause.

Future goal ?

With the combination of my interest and passion I want to start my own business of advanced gears in my own nation by learning the business strategy from USA. After my bachelors I will return back to my home country and plane for masters further.
