but I respect the decision of the embassy and after that I will reapply for the next intake by overcoming previously faced problem.

Ques (23) ⇒ Show me your financial documents.
Ans = As per my research on ~~the~~ ~~us~~ ~~st~~ ~~raw~~ ~~edu~~ ~~do~~ it is mentioned that financials are not a compulsory document to carry in the embassy, a requirement of university so I submitted to the university and they mentioned the same in my i20. In case you need the same give me sometime. I will provide the same.

★ Ques (24) GAP Justification

Ans. I have completed my masters in the year 2019, after which I got an opportunity to work at a Assistant manager.

I worked in two different organizations at same part but after some time I had to leave my job as my wife was suffering from some illness. There was no one to take care of her as my parents are also in there

So I took care of the doctors and medications. As the time is I want to resume my career back. We observed that in today's world skill are equally important and grab higher opportunity in future. I want to add an MBA degree in profile from USA.

Future Goal ? (what is your aim?)

With the combination of my past experience I have observed that business and skill are important for professional growth. My long term plan is to work as Zonal manager in my own home country. With the completion of matters I will come back to my home country and will focus on accomplishment of my target.

Responsibilities of Zonal manager.

- 1) Research business opportunities
- 2) Identify sale points.
- 3) Develop strategic plans.
