RECOMMENDATION LETTER

It is my immense pleasure to recommend one of the best student, Jaskaran Singh into your undergraduate program for the coming academic year. As the principal of his school .I feel his intelligence, diligence and honesty outweighed any other student in the class.

He is a bright energetic compassionate and genuinely an all-rounder.his grades have been consistently above average in all of his courses and he has actively participated in a diverse assortment of activities on the track

He is reflective and always sought way to improve. His enthusiasm about learning came through with his great attitude.Curiosity to learn about new topics is what is deeply inculcated in him.He continuously researches and analyses new phenomena and theories which are deeply reflected through his personality.He has an excellent written and verbal proficiency which is a pleasure for any teacher. He is also an avid member of the school athletics team.

He has always been a good representative for his school batch and even took part in the extracurricular activities held in the school .I highly recommend him for admission in your college.

I wish him best of luck in his future endeavour.
