**LETTER OF RECOMMENDATION**

It is with immense pleasure that I recommend Ms. Tanu Chauhan, I knew her for 6 years while she was pursuing her Bachelor Degree and Master's Degree at Chitkara College of Pharmacy, Chitkara University, Punjab, India, where I am a Professor and Assistant Dean (Research and Development).

During this period, she displayed characteristics of a very competent student. She was well-rounded, and managed to strike an effective balance between academics and extracurricular activities. She was brilliant student in the B.Pharmacy (Batch 2011-2015) and M.Pharmacy (Pharmaceutics) (Batch 2015-2017) and was an excellent addition to the classroom. She would engage actively in discussions, contributing to an enriching learning environment. She possessed a genuine interest in the subjects and approached lectures with enthusiasm and initiative. She was disciplined and followed instructions well, while also demonstrating curiosity and creativity. She has excellent communication skills, which she put to good use during her time at Chitkara College of Pharmacy, participating in various elocutions, discussions, debates, and presentations. It was evident from her participation in various extracurricular activities that she enjoyed being a part of the community. I can confidently say that she will be a valuable addition to your institution, and will strive to achieve her best, and go on to be a valuable member of the profession.

I strongly recommend her for the program, and will be pleased to answer any questions you might have regarding my recommendation.
