She was the bonafide student of the University for the session September-2008 to September-2010.

As a Centre Head, I found her to be quick learner & a person of good behavior. I have observed her to be an active, sincere, disciplined individual with pleasing manners. Her academic and personal achievement shows that she is committed to her education and will work hard to achieve her goal. Beyond her academic excellence, she is charismatic individual who is respected and liked by faculty and peers.

I have no objection if she is applying to study abroad. I wish her best for rest of her life. Please feel free to contact me if you have any question regarding her.
