Dear Sarbjeet Singh,

Your application has been received by the Office of International Admissions & Student Programs. If you did not pay your application fee, please take care of this item as soon as possible. After your application fee has been paid, please allow our office at least 3 business days to fully process your application. Please take note of the priority deadlines mentioned below. You may upload unofficial documents to your [application status portal](#) at anytime. Official document can be mailed to the address listed below. Official documents must be received upon enrollment at USA.

Priority deadlines:

- **Fall Semester deadline: June 15**
- **Spring Semester deadline: November 1**
- **Summer Semester deadline: April 1**

The Office of International Admissions & Student Programs will continue to accept documents after the priority deadline has passed, but they are not guaranteed to be processed before new student orientation and registration. Please have your documentation submitted officially as soon as possible.

Our academic requirements for admission and the required official documents can be found by going to our [Undergraduate Admissions Page](#).

The Supplemental items required for your application may be found by logging into your [Application Status Portal](#).

If you have additional questions, please [visit our website](#) or feel free to schedule a virtual appointment with one of our Global Outreach Staff [here](#) or our Admissions Staff [here](#). We look forward to working with you throughout your application process.

We appreciate your interest in the University of South Alabama!

GO JAGS!!
