

Dear Applicant,

Congratulations on your acceptance to Hellenic American University! We are pleased that you have received your I-20 and wish you all the best in your visa interview and travel process.

By accepting this I-20 you understand that:

- By taking advantage of the scholarship tuition listed on the I-20, you are required to pay an enrollment deposit of \$7,900 within 20 days of receiving your visa or immediately upon arrival in Nashua, NH USA campus. The deposit will be used to pay for tuition, administrative fees, and medical insurance required for enrollment.
- Upon receipt of your I-20, you will be assessed the \$2,500 Administrative Fee portion of your enrollment deposit. This fee is a portion of your tuition and fees balance with Hellenic American University. This is a mandatory fee and non-refundable. Failure to pay the administrative fee is a violation of university policy.
- By accepting this I-20 you understand your remaining \$7,000 tuition balance is due as follows: \$3,500 no later than 30 days before the start of your second semester and the remaining \$3,500 no later than 30 days before the start of your third semester.
- You must contact Nashua Student Services and confirm your arrival in the United States by the specified Program Start Date which is provided to you on the I-20.
- Failure to notify Nashua Student Services of your arrival in the U.S. by the program start date on the I-20 or failure to attend mandatory scheduled orientation events is a violation of university policy and may result in visa termination.
- The scholarship represents the total price for the entire MBA program and there are no per course/subject prices.
- Should you be unable to enter the United States, for any reason, you may complete a Refund Request Form and agree to the following terms:
 - The nonrefundable \$2,500 administrative fee will be accessed
 - The student's admission and I-20 will be automatically canceled. Once canceled, the I-20 cannot be used to enter the U.S.
 - Before issuing a refund, Hellenic American University will review the U.S. federal SEVIS database to confirm that the student's I-20 was not used to enter the U.S. If the I-20 was used to enter the U.S., the student is not eligible for refunds.
