### Letter of Recommendation

I feel happy to recommend Sukhdev Singh S/o Ajit Singh Who Passed Senior secondary Examination from this institute in the year March 2021. He had been a dedicated student who stood out among his peers of his learning and conduct.

He was a fairly intelligent student who always keep learning new things. He was very dedicated and devoted to his studies. Based on my observations of his abilities, I believe he has the potential to complete his higher studies abroad with good grades.
