## **LETTER OF RECOMMENDATION**

### **To Whom It May Concern**

It is my pleasure to recommend **Lovedeep Kaur** for admission. She was a bright student of our institution and cleared her Higher Secondary exams in 2010. She actively took part in all the activities and proved to be an outstanding student. Her academic record is excellent and it is my strong opinion that a student of her stature should be given chance for further education.

## LETTER OF RECOMMENDATION

As the Principal of St. Aloysius College (Autonomous), affiliated to Rani Durgawati Vishwavidyalaya (formerly known as Jabalpur University), Jabalpur, a leading educational institute of the central province of India, it gives me great pleasure to recommend Ms. Lovedeep Kaur D/o Mr. Surjeet Singh and Mrs. Sukhvinder Kaur for pursuing her Master's degree at your Institute.

She was a student of Bachelor of Commerce (B.Com.) program with Computer Application, Business Management and Accounting as the major optional subjects. She is one of the promising students in the faculty of Commerce. The primary mode of teaching of all the subjects is English and the examinations are conducted in English.

I have known her for the last three years. She is a person with knowledge of the basics of her subject and the ability to visualize problems. She has consistently performed well in academics. In my interaction with her, I found her to be an attentive, intelligent and enthusiastic learner. She is sincere in her work and is eager to come up with novel ideas to solve problems. She is talented in both academic as well as in extra-curriculum activities. She is involved in social activities and believes in serving humanity with love and compassion.

She bears a good moral character with creative initiatives. She has the capacity to work effectively in a team. I am confident that she will prove her merit equally at your institution and fulfill all the requirements that are expected of a prospective student. I therefore, recommend her for Master's programme in your university. I am certain that she will keep working harder and bring laurels to your institution. I wish her all the success in her future endeavors.

Please feel free to contact me for any further information, on my email: jgvalan@gmail.com

Yours Sincerely,
