## Gap justification

AS

I completed my school secondary in the year 2023, after which to apply for USA studies I started searching about various available universities. During the time I also appeared for an English proficiency test and score 6.5 band overall in the exam. I even went through the course structure of my field so that I do not find any difficulty while studying there. My application processor took some time and I received my i20 for the present 2024 intake.
