forward

To develop a business mindset and with an interest to carry forward ~~over~~ family business, I after senior secondary started assisting my father in ~~our~~ our family business of truck spare parts manufacturing. My daily duties were associated, looking after the manufacturing process, employee management etc. I put on my hard efforts to increase efficiency and effectiveness along with minimising production cost and make good profit, though it was too evident that with an incomplete business education, I would not be able to achieve my business targets and at that point I decide to get BBA degree from USA
