1. SHILPA RANI (HARPREET) 2020 GAP

After completing my studies in 2020, I wanted to continue learning and improving my skills. Under my ^{elder brother} father's mentorship, I explored the stock market and honed my understanding of portfolio management, market analysis, and risk management. This practical experience helped me gain valuable insights into financial markets and strategies for growth. To complement this hands-on knowledge, I decided to pursue a bachelor's degree in business in the USA. I've applied for the 2024 intake, aiming to further enhance my academic foundation and prepare for a career in finance and business.
