

## **STATEMENT OF PURPOSE**

My name is Gurmeet. I am from Haryana, India. I have done Matriculation in 2017 from Central Board of Secondary Education and my Senior Secondary from the same Board in 2019. Further I have completed Bachelor of Science from Kurukshetra University, Kurukshetra in the year 2023. Now, I decided to pursue PGD in Bioengineering Management from the esteemed university in US i.e. University of California Riverside Extension. I believe that my zeal to learn more will help me grow as a professional.

USA is the best known for its top-notch education. The other reasons to consider it while planning to study in USA are the quality education and provide abundant opportunities. With an impressive international student community, I will get cultural exposure and diversity. The workshops, trainings make it good learning experience for students. Also the universities allow you to work on campus which makes it easy to support student financially. I believe that while studying there I will not only receive a quality education but also, it is going to enhance my overall skills and personality.

The advancement of new technology inspire me to approach the Course of PGD in Bioengineering Management. I want to pursue my Diploma from USA. The University offers a diverse and multicultural environment that will help me in my overall growth. This will provide me a wide range of new opportunities and ideas to be creative. PGD in Bioengineering Management certification from US University is highly recognized all over the world. Top Recruiters of the world hire PGD in Bioengineering Management from the USA with good salary package. The quality of education, citizenship, personal guidance and overall development provided by the university makes it exceptional and worth. This degree will also enhance my profile and elevate my growth.

University of California Riverside Extension is one of the most prestigious and old university of USA. The University is known for playing a vital role in the student's lives. The University is best ranked institution which emphasis on teamwork and it's achievement in the field of medical really draw me to be a part of this University. I believe that, this University will provide me the opportunities to enhance my abilities. I am capable to feature my work on its best. The environment of University ensures me to have a prosperous growth and this course will also help to enhance my knowledge. This university will help me to expose to new experiences and practical Knowledge.

After completing my course I intend on coming back to my nation. I shall be working with good and known companies. This course will help me outshine and gain an upper hand in my field of expertise. I will have a variety of career opportunities open for me in my home country. A

Degree from the University of California Riverside Extension USA will be impactful and help me create a better mark than others in my chosen field.

**Thanks & Regards**
