MEDIUM OF INSTRUCTION

I am overjoyed to be writing this recommendation letter for Miss Manjot Kaur, D/o S. Harpal Singh, and Smt. Amandeep Kaur. She was punctual and very attentive in the class. She was a hardworking and dedicated student and was very curious about learning new things. Her performance in studies and extracurricular activities was good. During her course of study, her medium of instruction in school was English.

Further, she offers an engaging personality and is motivated toward her studies. I highly recommend Miss Manjot Kaur for her further studies.
