Q4) Course selection?

Ans) As I already have a subject of Political Science in my senior secondary and from that time I had strong interest in this field so to gain in dept knowledge in my preferred field ~~so~~ I selected Bachelor of Political Science ~~honor~~.

Q5) Gap justification?

Ans) Upon the completion of my senior secondary in the year 2020 I was not able to do my further studies because of lockdown but after a stable situation I became a part of A Club where we used to collect the data of the students which were not able to ~~use~~ access the technological gadgets for their education as a result there were large number of students were from rural side area and we used to submit this reports to the local government authority where the ~~task~~ decision for the welfare of the students ~~take~~, but I also want to become the major part of the ^{legal} system like policy making and setting rules and laws for the ~~betterment~~ of the society and to fulfill my goal I decided to do Political Science major from US Universities and applied for the present 2024 intake.
