RECOMMENDATION LETTER

I am pleased to write her letter of recommendation for Mrs. Rupinderjeet Kaur D/O. Baljit Singh whom I have known as a student of Mai Bhago College of Nursing, Tarn Taran. She has completed her General Nursing and Midwifery Course (GNM) in the session 2013-17 under the Roll No. 3232464 conducted by Punjab Nurses Registration Council, Mohali. During these years I have noticed her capabilities and potential in studies.

As I have handled her classes. So I have closely observed her work and conduct. She has always shown excellent capabilities to understand and implement theoretical and practical knowledge. She always exhibited a keen interest in learning and has insight in understanding into the subject. She is very sincere, hardworking, devoted and dedicated to her studies.

It is great pleasure for me to give her testimony and wish her for successful career ahead.

Sincerely

Mr. Rajesh P

Vice Principal (Mai Bhago College of Nursing)
