Dear Vasu:

Congratulations! I am pleased to inform you that you have been admitted to the University of South Alabama for the Spring Semester 2023 as a First Time Freshman student in the College of Nursing with Nursing/Pre-Nursing- Bachelor of Science as your intended concentration.

Your JAG # is: **J00730789** and your University of South Alabama email account is **vs2227@jagmail.southalabama.edu**. You may activate your JagNet account or check your personal data information on the web at [here](#).

As a student attending the University on a non-immigrant visa, you will be assessed an international student fee and out-of-state tuition each term you register. Important upcoming dates and payment deadlines are available in the academic calendar at southalabama.edu/academiccalendar. Students are responsible for ensuring tuition and fees are paid by the posted payment deadlines.

Your application file is complete. Although our records indicate no additional documents are needed, should you have additional coursework of which we are not aware, you must present this prior to registration. Admission to the University does not guarantee admission to the professional program. All students must apply to the professional component through the College of Nursing once prerequisite courses are completed. Please contact the College of Nursing at (251)445-9400 if you have questions.

Applicants may not disregard any part of their educational history, and failure to report all institutions previously attended will be cause for cancellation of the admissions process and registration. Registration is also subject to cancellation if final records are not received or if they establish ineligibility for enrollment.

On behalf of the faculty and staff of the University of South Alabama, I welcome you to our community and wish you success in your studies here. Please contact the Office of International Admissions & Student Programs if you have any questions.

Sincerely,
