To whom it may concern:

Indiana University of Pennsylvania has accepted this student into the academic program listed above as their I-20 clearly indicates. We have been communicating with the student for some time now and want to indicate that they have a genuine interest in completing their studies here at IUP.

The student has an I-20 start date of **August 21, 2023** to begin a week long orientation program designed for all new incoming international students. Fall semester classes begin **August 28**. The latest campus check-in date we can accommodate is the end of our drop/add period on **September 5**. The student would need to be attending classes in person and report to the international office in person no later than **September 5** to establish F1 status.

If you have any questions concerning delayed arrival or any other questions, I will be more than happy to respond.

Sincerely yours,
