

STATEMENT OF PURPOSE

I **NANCY** believes that if you want to achieve something in your life you have to faith in yourself first. I did my **Matriculation** in the year 2018 from Central Board of Secondary Education and did my **senior secondary** in the year 2020 from same Board. I secure overall 41 score in my **PTE**.

I chose **United States of America** because U.S universities welcome international students for pursuing higher education and offer a support system within the university which enables them to adjust their life comfortably. It also offers various ethnic, socioeconomic and educational back-ground. Besides, academic study and experience from a U.S. university has a very positive reputation in the international job market. The experience builds critical thinking skills, develops self-confidence and cross-cultural skills and all of these attributes are highly valued by employers worldwide. In American Universities students are encouraged and expected to contribute to the discussions and also known to have high academic standards. Therefore, considering all these reasons I chose this destination.

Lincoln University is come under one of the best universities in United State of America. It provides best quality of education to their students, scholarship and also they prepare students with practical and theoretical elements required in the job market today. The academic programs at university have a truly global focus. This University ensures a variety of perspectives make the classrooms informative and dynamic. As compare to other universities this university provide me better hike towards my career.

Bachelor of Arts in Business administration program is good for those students who are looking for a career in management. It enhances my communication skills, leadership, decision making, critical thinking and knowledge which are useful for my career growth. After completing BBA from this university it will open a new career path for me in the field of manufacturing, Export /Import, Operation Management, Human Resource Management, Finance Management in a high post and high paid salary.

I can easily work on job roles such as Project Manager, Operations Manager, Human Resource Manager, Team Leader etc. I can even work in the government sector on various job profiles. I know I have the determination, endurance and enthusiasm needed in this fascinating and rewarding career.
