Letter of Recommendation

Respected Sir/Madam,

It is my pleasure to recommend Mr. Rohan Kumar CBSE Roll.2691559. As an ex student of Vasishat Bharti International School, Datarpur. He passed his Senior Secondary examination in 2014-15 Over the period of 2 years time provided me ample amount of time to study him closely and judge his capabilities.

I taught him English subject and he took keen interest in the subjects. His primary objective was to learn as much as possible and implement the learning and the result were always commendable. Over the two years of my observation, I witnessed Rohan Kumar grow as a nice student. Who always wanted to get deep into the subject and explore it.

A part from academics, Rohan Kumar was equally good at extracurricular activities. He played vital role in organizing various school events and actively participated in numerous competition. These participation highlighted his leadership, communication and organizing skills. Stating all this about him.

I strongly recommend this candidate to your collage/University I am sure being in your institution he will give his best and prove to be an excellent student.

Thanking You,

Pankaj
