

STATEMENT OF PURPOSE

I am Anchal resident of Haryana, India. I completed my Matriculation from Board of School Education Haryana in 2015. Further I pursued my Senior Secondary Education from the same board in 2017. I did my graduation from CIS Kanya Mahavidyalaya, where I pursued Bachelors of Science from 2019- 2022. I hold an overall 63 PTE Score.

I chose **United States of America** because U.S universities welcome international students for pursuing higher education and offer a support system within the university which enables them to adjust their life comfortably. It also offers various ethnic, socioeconomic and educational back-ground. Besides, academic study and experience from a U.S. university has a very positive reputation in the international job market. The experience builds critical thinking skills, develops self-confidence and cross-cultural skills and all of these attributes are highly valued by employers worldwide. In American Universities students are encouraged and expected to contribute to the discussions and also known to have high academic standards. Therefore, considering all these reasons I chose this destination.

Lincoln University as it is enriched by diverse population and offers an inviting community. This university provides professional education, grounded in the interaction of knowledge. It prepares students with practical and theoretical elements required in the job market today. Programs at Lincoln University are designed to be convenient, flexible and affordable. The academic programs at university have a truly global focus. Apart from academics they organize different social events and sports events which help their students develop social and professional skills, while participating in the wide variety of events and activities. This University ensures a variety of perspectives make the classrooms informative and dynamic and I will be prepared for active participation and career advancement.

Master of Business Administration is a two year degree program which focusing on business administration and it covers various area of business administration accounting, business ethics, strategy, new management tools, techniques and

knowledge in managing the workforce of the organization. It enhances my communication skills and leadership skills. After completing MBA from Lincoln University it will open a new career path for me in technology, finance, management, marketing, or manufacturing, with greater responsibility, career advancement, and increased financial reward.
