Letter Of Recommendation

This is to certify that Muskan D/o Mr.Naresh Kumar was a bona-fied student of our school. Bearing roll no 17654803 in + 2 Non-Medical , session 2021-22 from our school. Her medium of instruction in + 2 Class was English.
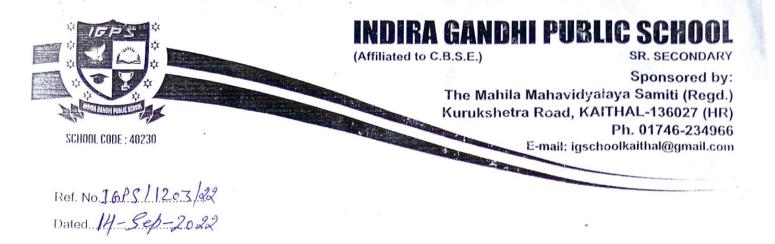

She actively participated in curricular activities, raising intelligent questions and sharing his interest more and more about subject taught to her, and also gained knowledge from outside the class room. She is a student who is ever ready to embark on anything new with enthusiasm. She has impressed me with her intellectual ability to comprehend, perceive and assimilate concept. Her quick grasping power and prioritized mind-set attracted me the most. She is extremely self-motivated, which challenges her potential and draws the best out of her.

She possesses leadership qualities and she is also proficient when working in team to excel in whatever task she is assigned. she has the initiative and maturity to move on the higher level of education.

I strongly recommend him for admission in your esteem institution.

I wish her good luck for her future.

To Whomsoever It May Concern

I have taught English to Ms. Muskan for two years in Indira Gandhi Sr.Sec.Public School Kaithal. Being her teacher I can vouch that she is one of the most brilliant and conscientious student that I have encountered in my entire teaching career. She has a very comprehensive understanding of the subject and has excellent skills.

During teaching and class interactions, I found Muskan to be quick on update and consistent on her performance.

As her teacher I strongly believe that her commitment, intellectual ability and enthusiasm for learning are the qualities that should serve her well in her future endeavors. Muskan is undoubtedly the type of student that has the potential for great success. I enthusiastically recommend her for admission to your university.
