## Grop justification

I completed my senior secondary in the year 2022 after which I got myself involved in one of the independent youth volunteer non-profit organization which was looking after the policies and schemes related to supplementary education program for the underserved children. I was a <sup>activist</sup> in this organization as the volunteer and work was help and reach children to modern education techniques. The commitment to improve educational policies and techniques made me clear for my future target to work as a policy analyst for which I need to have deep knowledge about this field accordingly I selected Political science from U.S.A.
