## **LETTER OF RECOMMENDATION**

I am delighted to write this letter of recommendation for Ms. Rhythm D/o Sh. Sarwan Kumar, who passed her Under Graduation from **GANDHI MEMORIAL NATIONAL COLLEGE, AMBALA CANTT** in May, 2021. I have observed that she is insightful, and always shows a positive attitude towards her academics.

Within the period of her studies, she has shown herself as a disciplined, reliable and conscientious student. Besides her academic record participation in extracurricular activities displayed her versatility and creativity towards multifarious tasks along with good communication skills.

She has excellent grasping spirit, ability to learn from failure making her a superior student as well. Her personal strengths are as admirable as academic performance.

I evaluate her as a dedicated person, who is ready to achieve her goals, I believe that the student would perform remarkably if chosen for the Master Degree programme she has applied and I highly recommend her in your University.
