Neha (2023 GAP)  
[+2 Medical to Diagnostic Imaging]

After completing my studies in 2023, I thoroughly researched various career paths and identified the growing demand for professionals in the healthcare sector. I particularly focused on medical sonography, as I noticed a shortage of skilled sonographers in the Indian healthcare system. With diagnostic imaging playing a crucial role in the accurate diagnosis of many diseases, I recognized this as an excellent career path. I took the initiative to study the course content of a Bachelor of Diagnostic Imaging, and after fulfilling all the necessary requirements, I successfully received my I-20 for the 2025 intake.
