TO WHOM IT MAY CONCERN

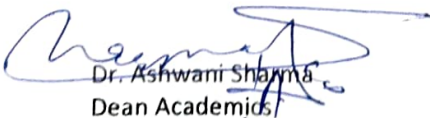

It gives me immense pleasure to recommend Mr. Samrat Wadhwa S/o Mr. Krishan Lal Wadhwa in the B.tech in Electronics and communication engineering at CGC Technical Campus Jhanjeri during the academic session 2013-2016. He attended all the lectures throughout the academic session. He contributed his best in all the college activities and assignments. Whenever there were any questions or polls conducted by the professors, he never hesitated to share his views and answers. So, there is no chance of missing any valuable information by him. He always preferred to complete his academic tasks on time. He has completed all his assignments on time and submitted them before the deadline.

He never had to ask for any deadline extensions, as he was very punctual. He did not only try to complete the tasks given by the professors, but he also tried to gain professional knowledge from the course syllabus as well as external resources such as the internet and documentaries of successful people in this field and many more.

He always focused on the quality of the assignments and the answers to prove his point of view. I think it was the main reason that he got very good grades in all his academics.

I wish him all the best for his career and future life.

Sincerely,

Dr. Ashwani Sharma

LETTER OF RECOMMENDATION

It is immense pleasure to recommend to one of my best student Mr. Samrat Wadhwa S/o Mr. Krishan Lal Wadhwa and Mrs. Sudesh Rani ex. student of our CGC Technical Campus, Jhanjeri Department (ECE). He was the bonafide student of this College from to (2013) to (2016). He has put a large amount of extra effort in helping the other students with class notes and revision. This student exhibits some good characteristics such as independent, excellent participation in class and class confidence which are essential to success in further studies.

Mr. Samrat Wadhwa has an introvert personality, but at the same time its noteworthy that he is ever ready to help and guide juniors and seniors alike. I would like to appreciate you most favorite considerations to him and it would. It gives us great pleasure to recommend him for higher studies admission, and related programs for abroad. If there is any question regarding to his reference, please feel free to contact me any time. I have seldom come across such versatile students.

Sincerely,

Ms. Richa Mehta
Assistant Professor
Department of ECE

LETTER OF RECOMMENDATION

It is a matter of pride to write a recommendation for Samrat Wadhwa s/o Mr. Krishan Lal Wadhwa who has passed B.Tech in Electronics and communication engineering from our institute in the session 2013-2016.

I got the opportunity to observe and assess his scholastic skills during B.Tech in our institution. He has impressed me with his strong analytical and logical thinking. His understanding of the concept certainly helps him to enhance his performance in the class. He demonstrated excellent planning and preparation himself.

He was innovative in his use of technology in the classroom to help the other students better understand fundamental concepts and help the students with different learning styles. It was clear that he had strong desire to work with young people.

Over the years that I observed Samrat Wadhwa, I have seen big improvement in his level of maturity and his ability to comprehend and understand the intricacies of the course. On the whole, I am sure he will excel in his academic program and will be an asset for his department and I feel no hesitation in recommending him in further education at your esteemed University.

Sincerely,

Ms. Sonia Bhukra
Assistant Professor
Department of ECE
