## LETTER OF RECOMMENDATION

It is immense pleasure to recommend one of my best student **Mr. Gurpreet Singh Bhatti**. He was bonafide student of Amritsar Group of Colleges. He has put a large amount of effort in helping the other students with class notes and revision. This student exhibits some good characteristics such as independent, excellent participation in the college activities.

**Mr. Gurpreet Singh Bhatti** has an introvert personality, but at the same time it's noteworthy that he is ever ready to help and guide juniors and seniors like. I would like to appreciate your most favorite considerations to him. It gives me great pleasure to recommend him for higher studies admission, and related programs for abroad.

## LETTER OF RECOMMENDATION

It is a matter of pride to write a recommendation for Mr. Gurpreet Singh Bhatti who has passed B.Tech (ME) in our College.

I got the opportunity to observe and assess his scholastic skills, during B.Tech (ME) in our College. He has impressed me with his strong analytical and logical thinking. His understanding of the certainly helps him to enhance his performance in the class.

He was innovative in his use of technology in the classroom to help the other students better understand fundamentals concepts and help the students with different learning styles. It was clear that he had strong desire to work with young people.

Over the years that I observed Mr. Gurpreet Singh Bhatti, I have seen big improvement in his level of maturity and his ability to comprehend and understand the intricacies of the College. On the while, I am sure he will excel in his academic program and will be an asset for his department and I feel no hesitation is recommending him in further education at your esteemed College.

## LETTER OF RECOMMENDATION

With great pleasure, I am writing this letter of recommendation in favor of Mr. Gurpreet Singh Bhatti who recently applied to your esteemed university.

I have seen him perform marvelously in academics. The first impression that anyone forms of him are that of a person with outstanding technical knowledge and problem-solving skills. He was an inquisitive student from the first year and asked a lot of questions. Assignments submitted by Mr. Gurpreet Singh Bhatti demonstrated his out-of-the-box thinking and dedication towards the subject. After knowing him for three years, he always showcased his talents. He could meet deadlines & never be late for submissions. He was also actively involved in group discussions & communicated confidently. He was known among teachers and with juniors; he was always helping & guiding his juniors. Also, I could judge his talent in taking up research problems and persevering to the point of completing its objectives. It is no exaggeration that he was an all-rounder & made to excel in the field he puts his dedication & efforts into. He always wanted to do specialization in Mechanical Engineering.

Therefore, I strongly recommend you to consider Mr. Gurpreet Singh Bhatti for admission into your esteemed university. He is invaluable & worthy of a place in your university. In case of any query, please feel free to reach me. I wish him great success in all future endeavors.

Sincerely, 

Er. Inderjit Singh Sodhi
