

Statement of Purpose

I am Sachin. I have found that our greatest honour is not in never falling but rising every time we fall. I am a resident of Karnal , Haryana. I completed my matriculation in the year 2014 from the Central Board of Secondary Education. Then I did my senior secondary in the year 2016 from the same board. After that I did my Bachelors of Science in the year 2020.

Now I am thinking of doing my Masters in Business Administration from United States. USA is a place which is very popular for education among the students. It offers lot of opportunities for shaping a career and also helps in evolving critical thinking. It has a developed economy and is also a business hub.

I explored for universities but I selected **Lincoln University** which has always strived for to improve the quality of education. It is a world leading research institute which has proficient and expert faculty. The academic programs have the best reputation and also provide education with cutting edge technology.

MBA is a program that is crafted for students who wish to gain in depth knowledge of business practices. It fosters a profound knowledge of management, leadership, business skills and also critical as well analytical thinking. This program is great for developing business skills and prepares for long term planning.

After the completion of the course, I want to be come back to India and would like to work as a Marketing Manager in my home country. I am confident that this field of study will help me to have tremendous growth prospects in the future.
