Dear Mehak,

Congratulations on your admission to University of Bridgeport's Computer Science (M.S.) program for the Fall 2025 semester! We applaud your commitment to your professional development and wish you success in reaching your educational and career goals.

As a conditionally admitted student, you have not yet demonstrated English language proficiency. To demonstrate English proficiency, you may submit official TOEFL, IELTS, PTE, Duolingo scores, by passing our English Language Assessment Battery (ELAB) exam upon arrival to campus or by successfully completing University of Bridgeport's English Language Institute program (ELI). Once you meet the University's English language requirement, your SEVIS record will be updated and a new I-20 will be provided for your academic program.

You have been awarded a **\$4,000** merit scholarship to be distributed over the course of your first two semesters at University of Bridgeport. The scholarship award is contingent upon the following conditions:

1. You must be enrolled in a full course load toward a degree bearing program.
2. Merit scholarships are not available in conjunction with a Graduate Assistantship. If you obtain a Graduate Assistantship in your first 2 semesters, you would no longer be eligible for this merit award.

To begin the I-20 process, please visit your application portal at bridgeport.edu/nextsteps and make sure you have uploaded the following documents needed to process your I-20:

1. Official Bank Statement, dated within the last 6 months
2. Passport Biographical Page
3. Affidavit of Financial Support - This can be completed online at bridgeport.edu/affidavit

All new students must report to campus on **September 2, 2025**. Classes for the Fall session begin **September 8, 2025**. Please plan your travel accordingly to ensure your attendance.

Please note the following information:

- You must submit the following documents on or before your arrival date to campus:
 - * Official test scores required to secure your admission
 - * All final official transcripts/mark sheets and degree certificates from previous institutions attended
- Health Insurance enrollment through the University is automatic and mandatory.
- Tuition and fees are subject to change.

On behalf of the entire University of Bridgeport community, congratulations on this exciting accomplishment. We hope you choose to join us this Fall 2025. It is clear from your application you are excited for this challenge, strive for excellence and want to make a difference in the world.

Sincerely,

Allison Garris, Ed.D.
