Manvir Singh (Refused) GAP - 2023 [+2 Medical to BBA]

In 2023, after finishing school, I didn't just sit back—I joined my family's medical supply business. I visited clinics, spoke to NGOs, and helped build B2B deals that benefited both sides. I valued the hustle, but soon realized that I lacked the deeper knowledge to really grow it. Financial planning, business modelling, and strategic thinking were areas I struggled with. That's when I started researching business programs and found that a BBA in the USA fits my needs. It offers the global exposure and structured learning I need to take our business forward. Now, having learned from my earlier visa rejection, I'm ready to try again—better prepared and more focused
