

Statement of Purpose

I Harshdeep Singh belong to Haryana India. I have completed my matriculation in the year 2018 from Central Board of Secondary Education and I Completed my senior secondary from the same Board in the year of 2020 and after completing my senior secondary I have done Bachelors in Arts from Panjab University and completed the same in 2023. Further in order to Pursue for my higher studies from USA I did PTE and got 59 score overall. I am always inclined to study for my Masters from one of the most top nations in the USA.

I choose the USA as it's the world's most popular destination for the International students and biggest chain of universities and colleges. We are all aware about the USA quality of Education and unique Curriculum and the abundant career opportunities for the International students. USA universities are Top Ranked Universities which offer a wide range of Programs and fields of study and there are other benefits like interacting with People from diverse cultures. Studying in America will help me learn a new language, appreciate other cultures, overcome the challenges of living in another country, and understand the world better. It is a leader in research and technology and has some of the best universities in the world.

After comprehensive and thorough research I have selected Alliant International University. Alliant University is one of the Top universities in the USA and a welcoming university for the International students. University establishes a social duty that forces us all to pay attention, pick up new skills, alter our ways of doing things, and work by promoting a spirit of harmony, solidarity, and solidarity founded on trust and respect. The University is renowned for its crucial role in the lives of its students. The Personal guidance and overall development it offers are what make it a top-notch University. Being surrounded by people from different cultures apart from classroom and Private education will also help me acquire knowledge and develop skills. Students can apply for the scholarship benefits who have good academic records and faculty members give their assistance to the University students in their best possible way.

I chose a Master of Business Administration program which provides the understanding of managerial responsibilities of Business. It's a Professional degree and MBA is one of most popular courses. I. Anyone who wishes to achieve a better career option or launch their own business or acquire training in this field definitely opted. Who attend a MBA degree have a wide range of career options in marketing, human resources management etc. Every Business organization is connected to every type of profession so having the basic understanding of business can help anyone to advance in their career.

Harshdeep Singh.
