The educational services provided by the states are great for the students and especially for the International students. The United States has top universities and colleges and universities provide a great variety of courses. As an international student I always wanted to study from a prestigious university and country for which I have selected the United States as my dream destination for study. I am also impressed by the culture of the USA and want to experience it personally. The other reason to go to the USA for studies is to become independent.

For my further studies I selected **Lincoln University**.
