I wanted to make a well-informed decision about my major. Completing my studies in 2023 made me devote a year to personal development, exploring career interests, and navigating ~~unforeseen~~^{unplanned} circumstances. I clearly express a passion for the subject matter of business and management, alongside engaging with the curriculum. This enthusiasm can be effectively communicated through a well-crafted personal statement that ties this course to my future ambitions. accordingly, I researched about the universities and shortlisted westcliff university for the present intake 2025.
