Now that you've been accepted, please email the completed [Affidavit of Support](#) and a copy of your sponsor's recent bank statement to intinfo@mcneese.edu so we can issue your Form I-20. All new students should thoroughly read [the Welcome Guide](#) and follow the directions to receive the proper paperwork for visa purposes.

Your advisor will be in touch with you via email with instructions about scheduling an advising appointment and registration, but please reach out to Freshman Advising if you have questions in the meantime. Advising for the fall semester begins in April and in November for the spring semester. Please include your McNeese ID# (above) in all communications with university faculty and staff.

If your test scores have not demonstrated your readiness for college-level English and/or math, you may be required to participate in a Co-Requisite Program. You will receive more information from your advisor. You are also encouraged to take the ACCUPLACER Next Generation Writing exam (for English competency a score of 250 is required) and/or the ACCUPLACER Next Generation Quantitative Reasoning, Algebra, and Statistics exam (for math competency a score of 250 is required); please contact our Office of Testing Services for more information. You may also take the ALEKS Placement, Preparation, and Learning (PPL) exam for math competency; please contact the Math department for more information.

We look forward to seeing you on campus and are here to help you through the process as you start your McNeese journey. If there is anything we can do, please contact the Office of International Programs at internationaloffice@mcneese.edu.

Sincerely,

Catrina Boenig
