None reported						

PERSONAL CIRCUMSTANCES

ESSAY

Share an essay on any topic of your choice. It can be one you've already written, one that responds to a different prompt, or one of your own design.

Myself MANIK, I personally believe that

" Success is not the happiness. Happiness is the key to success. If you love what you do and are happy with it you eventually going to be successful."

As far my academics are concerned, I completed my matriculation in year 2019 from central board of secondary education, later my senior secondary got completed in year 2021. I gave my senior secondary exam also under central board of secondary education. To quench my thirst to learn more and upgrade my academics attainments, I decided upon pursuing my Bachelor's from United States of America. To meet one of the requirements of the universities for international students, I gave my IELTS and scored 6.5 overall band; which further opened my doors for the university.

My choice of the university took full versed research which finally stopped at SUNY Fredonia. I shortlisted this university after reading reviews from the alumni's and searching search engine thoroughly. I wish to pursue Bachelor's degree in ECONOMIC stream as per my field of interest. To learn from a prestigious institution full of well versed with the subject and are experienced enough to shape me in an individual, who can expect a booming career in the field.

USA is a beautiful and welcoming nation that offers the best education in the world. It offers top-notch education by the top educationists. USA is one of the best nations to consider when planning studying abroad. With a variety of benefits to offer USA is my choice since it provides quality education, unique curriculum, and multicultural environment. The education system is flexible and provides abundant opportunities. The lively and vibrant campuses, cultural diversity and hospitality offered the international students are impeccable and add up to make USA a dream study destination. USA has a good number of universities to choose from.
