Dear Simrat Kaur,

Congratulations and welcome to Avila University! This letter serves as a notification of your Conditional Acceptance in the Master's in Business Administration with a concentration in Management M.B.A. program for the Fall 2024 with a start date of 08/26/2024. We are delighted that you have chosen to pursue your education in our program and look forward to your addition to the Avila community. Your official acceptance is pending, prior to completion of the following requirements:

1. You need to secure the financial guarantee to Avila. To do this, submit all financial documentation to avilaapplicationmanagement@inuniglobal.com.
2. Once the necessary financial documents have been submitted, they will be reviewed by the Avila DSO team and confirmed if they meet the requirements for an I-20 to be issued. If there are any queries or issues with the documents provided, you will receive a notification from the Avila team.
3. Your I-20 approval is subject to the United States current immigration laws.

The application process can take a long time. We know this is important to you and we work to process these as timely as we can; however, there are many external partners and factors that are a part of this process and that can take time. Please be patient with the process and hesitate to send multiple emails and inquiries to multiple people. This only slows down the process.

You will be notified as soon as we have any updates to your application. We look forward to speaking soon.

Congratulations,

Rafraf Barrak
