Karanjit (Bach in Nursing-
2021 MBA Healthcare)

My Bachelor's in Nursing, completed in 2021, provided me with a strong clinical foundation that proved invaluable while working as a freelancer in the homecare industry. During this time, I managed various responsibilities, from post-operative care to chronic disease management, ensuring high-quality care for my clients. However, this experience highlighted the potential to scale these services and address India's growing demand for quality home care. To achieve this, I realized the need for advanced knowledge in healthcare management. An MBA in Healthcare will equip me with essential skills in healthcare operations, financial planning, and strategic leadership. These competencies will enable me to effectively lead a team of caregivers, enhance operational efficiency, and develop a sustainable homecare agency that can serve a broader client base in India.
