Handwritten text at the top of the page: "Handwritten - 01/11/2023 / 1104 (2023)"

After completing my B.Com in 2023, I got the opportunity to work as an Account Executive at Nexus Automobile, where I was responsible for handling various accounting duties, including managing financial records, processing transactions, and assisting in budget preparation. This role helped me develop a solid understanding of accounting practices and the importance of financial management in business operations. After some time, I decided to leave my job to focus on furthering my education. During this period, I explored how I could combine my background in commerce with an MBA to expand my career opportunities. I looked into various areas where business management skills could complement my previous knowledge, such as financial management, business strategy, and operations management. I realized that pursuing an MBA would help me enhance my leadership and decision-making skills, making me better equipped to manage business functions at a higher level. To move forward with this plan, I appeared for the IELTS exam and have now applied for the 2025 intake to pursue my higher studies.
