Letter of Recommendation

It gives me immense pleasure to write this letter of recommendation for Sangram S/o Mr. Lokinder & Mrs. Mamta. He was my student for session 2023-2024, he is always eager to learn the new things; he is a disciplined student with a pleasant personality.

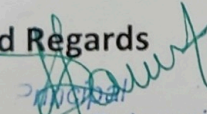

Sangram has excellent communication skills. He is very dynamic outside the classroom too. He has also participated in all academic and non-academic events happened during the year. He also demonstrated good team work skills in all group assignments.

Although timid and placid, his friendly and optimistic attitude, always ready to lend a helping hand towards his friends in times of difficulties.

I strongly recommend his for getting admitted to higher studies from your institution. He has a remarkable passion for knowledge and a great intellectual curiosity that is essential for higher studies.

I wish his grand success in all his future endeavors.

Thanks and Regards

LETTER OF RECOMMENDATION

It would be my pleasure to recommend **Sangram S/o Mr. Lokinder & Mrs. Mamta** for the related program. I am **Savita Khaneja**, Political Science Teacher and have taught him for about 2 years.

While being a student at Mata Rukmani Rai Arya Sen Sec School Shahabad (M.) **Sangram** has been a pleasure to get know and teach. He has always been eager to learn and enthusiastic about new Challenges. I think this strong interest will help him to achieve great things at your school.

Outside the classroom, he has participated in multiple activities. In doing so he has shown a great sense of communication and joy working with other people.

I have seen many examples of his talent that has impressed me with his hard work and his "go getter" Attitude,.

Sangram is an important part of our academic community and would make an excellent contribution to your school I request you to look favourably on **Sangram**.
