**TO WHOMSOEVER IT MAY CONCERN**

It is my pleasure to recommend **Bhawana** a student of Mool Raj Devi Chand Kapoor S.D Public Sen. Sec. School , Garhshankar.

She has been a student of this school in standard 11<sup>th</sup> and 12<sup>th</sup>. I have had a pleasure of having her in my **Humanities group** since **March 2018** and can say that her skills are satisfactory as she demonstrated a fair understanding of concepts and principles.

In addition to the knowledge of basic **humanities** skills, she was able to interpret and observe the different data related to the subjects. And has a good critical-thinking and communication skills.

I recommend **Bhawana** for admission in your esteemed university.
