

GURU NANAK INSTITUTE OF TECHNOLOGY

Ref.No: GNIT/24/93240

Dated: 25-01-2024

Letter of Recommendation

I am writing this letter in support of the application of **Mr. Abhishek Saini**, Roll No. **6313561** in **Mechanical Engineering** to explore other shores. He was graduated in **2017** with the **61%** from **GNIT**, affiliated to **Kurukshetra University**. I have had him in my class and he had shown excellent academic skills during that time. I can say that he is an excellent candidate for your program.

He has strong problem solving and research abilities which help his in a variety of projects and tasks. I guided him in one of his major projects. During the time he showed his excellent skills and leadership qualities that helped him in achieving high quality results.

He has knowledge and skills to explore the field in full depth. He used to complete every assignment given to him on time and with great efficiency. That is why he would prove to be an asset in whichever organization he works for.

His strong academic skills, positive attitude, dedication towards work and work experience make him completely unique and considerate for this course. I strongly support his application of recommendation and would wish him all the best for it.
