LETTER FOR RECOMMENDATION

It gives me great pleasure in recommending **Jaskirat Singh S/o Mr. Baljinder Singh** who had passed 10+2(Arts) during session **2023-2024**.

During my association with him I realized that his academic record was good which truly reflects his dedication and sincerity towards his work. His self Confidence and code of conduct is something that holds the other person in awe.

He was a self-motivated, focused, and disciplined student who was responsible to take up any assignment willingly and complete the same on time.

I am sure that **Jaskirat Singh** will excel in his continued pursuit of learning in higher education and recommend him for the foreign universities he wishes to apply to. I am confident that he will make a great contribution to his future alma mater that he chooses and the people around him.

I am delighted to support **Jaskirat Singh** effort to pursue a career that combines his analytical strength and his practical problem-solving skills. I would not doubt him for a minute or accept him to deviate from his trajectory.

I wish him all the best and success in his higher studies.
