Letter of Recommendation For Study Abroad

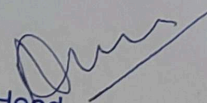

This is a reference to support Simrandeep, a student of the batch 2020–23 at , “**University School of Applied Management**” department in “**Punjabi University**” Patiala and had passed with first division by securing 8.04 CGPA , Grade A . I have known her for her three years of course and hence I have often had the opportunity to observe her unusual abilities, creativity, amazing management skills and the ability to take responsibility.

She not only managed to perform well in studies but also took part in extra curricular activities of the University. I being the in-charge of several activities of our University , came to know more about Simran’s interpersonal and leadership skills when she successfully conducted many programs during Annual meets . She is well focused with a keen interest in all activities.

From our discussion concerning her plan for further studies , I here by strongly recommend Simrandeep for further studies in abroad for her success in future endeavour.

Sincerely,
