## To whom it may concern:

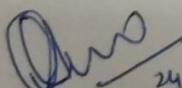

It gives me enormous pride in writing a recommendation to endorse one of my brighter students, Ramandeep Kaur. My association with her dates back to 2015 when she took admission in M.Sc. Botany program at the Department of Botany and Environment Science of the university. Her grades have been very good and her dedication towards excellence in the subject has been commendable. I feel optimistic about Ramandeep Kaur's selection in your esteemed university as the student has excelled not only in the theoretical knowledge, but also in implementing the knowledge gained into practical aspect of her stream of choice.

During her stay at DAV University I found her one of the good students I have dealt with. I have watched her grow and seen her talents and abilities not only in the class room but also outside its walls, when interacting with all types of people as well. She is diligent and self starter. She has a very inquisitive mind and does not wait to be told to investigate or analyze problems; she has the ability to recognize and initiate what needs to be done. Furthermore, she can engage in numerous challenging tasks concurrently without compromising the work quality. Apart from these her excellent presentation skills combined with the ability to simplify the concepts for pupils tend to help her make a genuine educator.

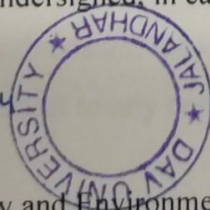

Due to her creative mind and hard-working nature, Ramandeep Kaur is expected to achieve a genuine development in any professional environment.

I believe that Ramandeep Kaur can be an excellent addition to any institution. I hope you will also find her attribute are potentially attractive and I hope that you will favourably consider her application in your prestigious institution.

Feel free to contact undersigned, in case of any query.

## Letter of Recommendation

I am writing this letter of recommendation for Ms. Ramandeep Kaur, Registration No. 11503981 whom I have known since 2015, when she joined DAV University for her postgraduate studies. As the Head of the Department of Biotechnology, I have had the pleasure of supervising her in various classes and extracurricular activities. I have also had the opportunity to watch her grow and excel in various competitions and events organized by our department.

Throughout the course of her study she has shown keen interest in practical learning. Here we engaged students in several research related discussions in which she has confidently expressed her aspirations towards higher education.

Throughout her participation in extracurricular events and activities, she has always taken the initiative to participate and lend a helping hand to other students.

Based on my observations and experiences with Ramandeep Kaur, I highly recommend her for any academic program or professional opportunity that she might apply for. Her academic abilities, enthusiasm, leadership skills, and active participation in various events make her a valuable asset to any community.

  
(Lakhmir Singh)
