

## STATEMENT OF PURPOSE

I am Mukul from India. I belong to Patiala, Punjab. Talking about my Academics, I have completed my High school from Punjab school Education Board in 2020. After completing my High school I did B.A (Bachelor of Arts ) from Punjabi University, Patiala in 2023 with 67%. I m writing to express my intent to pursue Master of Business Administration from University of Bridgeport located in Connecticut. With a Background in Humanities, I am eager to enhance my skills and knowledge to make an impact on corporate life.

Adding a MBA degree to my profile will open up doors of growth for me in the Business World. I will be able to increase my management, critical thinking and analytical skills. The degree will have a direct positive impact on my equip me with the sufficient knowledge of Management and organizing things in a better way.

I chose USA because the universities offer a support system within the university which enables international students to adjust their life comfortably in the U.S.

I did lot of research about the universities but selected Lincoln University. The University provides a practical and theoretical knowledge to their students. Their faculty and staff prepare the students through different facilities and programs with advance techniques. The university has a good campus and has diverse culture. University is known for its Business Programs, so after acquiring a business degree, I can get my desired job at a good post back in my hometown.

I strongly believe that MBA Course at University of Bridgeport will provide me with practical experience, training and internship and overall knowledge which will help me in gaining a lot and learning under expert team members. My main aim is to become a successful business leader and create a positive impact in society whatever I will learn from expertise. Lincoln University also plays an important role in student life. University of Bridgeport, takes care of its quality of education, citizenship, personal guidance and overall development.

The degree will have a direct positive impact on my equip me with the sufficient knowledge of Management and organizing things in a better way. I hope you will consider my application and get an opportunity to study under prestigious university.

Thanks & Regards,

Mukul
