BA to MBA.

(Amitpal)
(Mukul)

"Since childhood, I have been passionate about photography, capturing moments and telling stories through my lens. As I grew older, I wanted to turn this passion into something meaningful. I started collaborating with local designers and small businesses, photographing kitchen products and edible items for their marketing campaigns. This not only gave me hands-on experience but also helped me earn a profit from my work. Seeing my potential, my parents and friends encouraged me to take this to a larger scale. Over the years, I refined my skills, learned about branding, and understood the power of visual storytelling in business. Now, I want to merge my creativity with the business world by working as a brand manager or by establishing my own advertising agency that works with international brands. To achieve this dream, I have applied for an MBA in the USA for the 2025 intake
