LETTER OF RECOMMENDATION

I am writing this letter to recommend Mr. Arpit S/o Sh. Chaman Lal who was student of our college. He had passed his B.Tech in Mechanical Engineering (Lateral Entry) from 2016 to 2019 batch under roll no. 1628505. He was not only an intelligent but an intelligent individual also. He has the ability to come to a detailed understanding of practical and theoretical subjects. He possesses a great blend of theoretical acumen and practical ability.

He has excellent communication skills and his performance was excellent throughout the bachelor degree.

Overall, he was a well disciplined and pleasant personated student. He has the exceptional leadership skills as he has the capability to instigate his peers to think and deliver. He maintained a striking balance between his academic curriculum and other extracurricular activities taking place at college. Considering his motivation, perseverance and intelligence. I am confident that he will scale peak in his field of interest in further study.
