navpreet (Navpreet)

I was deeply committed to my field of interest, and after completing my senior secondary education in 2022, I decided to join my family business focused on solar panel installation and energy-efficient solutions. This hands-on experience provided me with valuable insights into the challenges and solutions in the industry. During this time, I developed a comprehensive business plan to expand this business in future i worked on, detailing my vision, target market, services offered, and financial projections. This plan serves as a roadmap for launching my business in the renewable energy sector. I now wish to pursue a BBA to gain the skills and knowledge necessary to effectively achieve my dream and make a meaningful impact in the renewable energy field.
